Getting to the OSO is easy

We're a short walk from Barnes Bridge and Barnes overground stations, or you can reach us by bus. The 209 and 284 buses from Hammersmith stop at Barnes Green (a one minute walk from us) or you can get the 485 from Putney. There are parking spaces around Barnes Green and it's free to park after 6.30 pm. Parking restrictions apply 10-12 except nearer to the overground station where it is free.

The OSO entrance is at the rear of the building and faces Barnes Green, so you need to walk around the corner from the Wildwood Café to find us.
